Apartments in Verger (el) (Alicante)

With their very modern design, ample terraces and fantastic location, The EL VERGEL apartments offer incredible value. They are located just 800m from a sandy beach, yet are proximate to a commercial centre recently constructed in El Verger, just 10 minute's drive from the cosmopolitan town of Denia. The properties lie within 2 complexes that comprise a series of inter-dispersed blocks with communal gardens and swimming pool areas. Other facilities available to residents include Spa, paddle tennis courts, children's play area and 'beach bar' zone. The properties have a high standard of finish and include air conditioning to the lounge, alarm system, decorated walls, fitted kitchens and built-in wardrobes.
